

# Investment Risk: Greatest in My Lifetime

As we enter 2021 we start out with the most (potentially) incompetent, incoming president and vice president, and cabinet in history. Was the election digitally stolen? There should be jail time here over a broad landscape. Who is going to kick off the ball?

- Interest rates are criminally low.
- The Fed needs to be shuttered.
- The West Coast digital industry needs to be hit with anti-trust and racketeering.

A wide swathe of the stock market has more of a casino look than a respite for retirement savings. I stick exclusively with dividend-paying blue chips of solid pedigree.

And I am not a market timer.
